MOVING MOUNTAINS

#CLIMATECONFLUENCE

UNIVERSITY OF CALGARY CAMPUS

Saturday, October 28

Hunter Student Commons Building

Activation

Moving Mountains is a choose your own climate confluence where participants can learn about climate change and how they can create and take actions to reduce or prevent harm.

MM is for Activators, Helpers and Participants.
It is to build community, collaboration, and leadership through participatory learning.

Moving Mountains is using the mindset of Popular Education for all of our programming

Pop Ed

- Peer - peer
- Experience based
- Practical vs theoretical
- Active / participatory
- Knowledge comes from those learning
- Makes social change - it's a tool of revolution!

Activating

- Be present for the entire Block that you're activating
- Be early, stay on time
- Keep the session simple - no slides please
- Keep things to a few ideas

Activating

Starting

- Be early
- Check in at registration table in the foyer
- pick up name tag and program
- Drop off a copy of your three sentence Speakers bio - we'll use that to introduce you.
- If needed, go to the Activators' ready room (the registration desk can direct you to it, (it's on the 4th floor))
- if needed sign in to the U of C Wifi, Instructions in the workbook

The Session:

- At room 15 min before its' scheduled start to meet your host. ie 9:45 for 10. 12:45 for 1 and 2:45 for 3
- Give a copy of your bio to Host
- set up flip chart(s) / white board, handouts etc
- Host will introduce you and explain the 'rules' and schedule
- You guide 15 minute Check In (more later on this)
- Activate your session (60 min max!)
- You guide the 15 minute Check Out (more later on this)
- You're done.
- Hang around for the rest of the Block, and ideally the day so that you can interact with folks

Activating

Check in and Check out

- read the Activators google doc
- Prompts are in the workbook
- you have 15 minutes for this
- This is IMPORTANT
- Using reflect, pair and share process

- Check in Q's
 - Name?
 - Where are you from?
 - What are you curious about in this Session?

- Check out Q's
 - How did that feel for you?
 - Something new for you?
 - Something I'm going to try out with my new knowledge.

Activating

Things we need from you

- Session title
- Your bio
 - Chosen name
 - Who are your people?
 - Topic
 - What excites you about your session
 - A goal you have for the session
- Supports (flip charts, break out space, childcare space, pens, paper, other supplies, speakers...)

A stylized illustration of a mountain range. The mountains are rendered in various shades of orange, from light peach to deep, vibrant orange. The peaks are jagged and layered, creating a sense of depth. The background is a soft, light peach color with subtle, wavy lines that suggest mist or a hazy atmosphere. The overall style is clean and modern, with a warm, inviting color palette.
